EXCLUSIVELY AT **SPIRALFROG**.

SpiralFrog, in association with Keep A Child Alive and its Global Ambassador Alicia Keys, invites you to come to our site and download a compelling new film by South African director Earle Sebastian that brings to life the AIDS pandemic. *Alicia In Africa: Journey To The Motherland* takes you on Alicia's life changing month-long trip to Africa. Follow her as she witnesses countless stories of people infected with HIV, who despite the odds, are overcoming personal hardships with astonishing bravery.
